Criterion 6- Governance, Leadership and Management

Key Indicator- 6.1 Institutional Vision and Leadership

6.1. The institutional governance and leadership are in accordance with the vision and mission of the Institution and it is visible in various institutional practices such as NEP implementation, sustained institutional growth, decentralization, participation in the institutional governance and in their short term and long term Institutional Perspective Plan.

The Vision and Mission of the institute has been developed with the active involvement and participation of all faculty members with thoughtful and focused deliberations. The links for supporting documents providing evidence of decentralization, participative management and monitoring of the teaching and learning process.
