## Employee's Children Policy

(Approved in Board of Governors meeting Dt. 15/05/2018 Resolution No.9)

Sanstha has launched scheme to provide education discount in tuition fees for children of the employees. The scheme offers a great opportunity for employees those who take admission of their children through Centralize Admission Process (CAP) of Government.

Under this scheme, if the child of any employees gets admission at our institute through CAP round, Sanstha provides 100% discount in their tuition fees. This is a great opportunity to ease the financial burden of education expenses and to ensure the quality education at our institute.

We encourage all employees to take the advantage of this scheme. We believe that education is essential for the growth and development of our children, and we are committed to support our employees by providing the best possible education for their children.
