

The Engineers' Day celebration at SSIET commemorated the birth anniversary of Sir Mokshagundam Visvesvaraya 15th September 2025, India's most revered engineer and visionary. To mark this occasion, SSIET hosted "Techspark 2K25", a state-level technical event aimed at fostering innovation, entrepreneurship, and technical excellence among engineering students. A State-Level Technical Event "Techspark 2K25" Organized by Shree Santkrupa Institute of Engineering and Technology (SSIET), Ghogaon. The Chief Guest for this event was Mr. Shridhar Ramdurgkar, Managing Partner, A.G. Electroservices, Karad and Ms. Manasi Patil, HR, A.G. Electroservices, Karad and presiding authority was Dr. Swanand Kulkarni, Principal, SSIET, Ghogaon.

The event commenced with Deep Prajwalan by the chief guests and dignitaries. Felicitation of the chief guests was conducted by Principal Dr. Swanand Kulkarni. Dr. Kulkarni delivered the inaugural speech, highlighting the legacy of Sir M. Visvesvaraya and the significance of Engineers' Day. Chief Guest Mr. Shridhar Ramdurgkar inspired students to embrace entrepreneurship, encouraging them to take risks and transform ideas into reality. He emphasized building a strong career foundation through innovation and self-belief. As a gesture of support.

Two major competitions were held as part of Techspark 2K25. Poster Presentation and Smart India Hackathon. Winners of both competitions were honored with certificates and cash prizes, recognizing their talent and effort. Students participated in events and celebrated the Engineers Day with great enthusiasm. At the last exciting prizes were distributed within winners of these events. Here are some snaps of it....
