## Minutes of Meeting – DAB Meeting on 12/08/2023

**Date: - 12/08/2023**

**Venue: - CSE HOD Cabin**

**Time: - 12:30 pm to 02:00 pm**

Departmental Advisory Board of Computer Science & Engineering department meeting was conducted on 12/08/2023 at 12:30pm in CSE HOD Cabin for Academic Year 2023-24 odd sem. The agenda of the meeting was conveyed along with meeting notice. Meeting started with the permission of board members.

### Following points were discussed in the meeting as per the agenda ---

**1. Confirmation of minutes of meeting of previous Meeting and Action Taken Report**

HOD Prof. Patange S.P read minutes of previous meeting held on 25/02/2023 and the minutes were confirmed with the permission of board members.

HOD Prof. Patange S.P present the action taken report dated 28/02/2023. DAB review that action taken report and approved.

**2. Review of previous semester overall result analysis, students feedback and placement.**

Respected HOD Prof. Patange S.P welcome all members present in first DAB meeting of A.Y. 2023-24, He presented overall subject wise result analysis of last year exams. As university started offline exams since last year, few students secure below average marks in few subjects. Few students are failed in few subjects. Board members analyze these results and engaged in discussion on reason behind that poor result in few subjects. It is suggested to give more emphasis on those difficult subjects, take extra lectures, give question banks, analyze students growth in internal exams etc Board members engaged in review students feedback of last year and detail discussion is held on points raised in students feedback.

Prof. Deshmukh S.U inform about overall placement of students. He said recruitment head Mr. Hrishikesh Dande sir from TCS, Pune has conducted online session about recruitment process of TCS. He introduces TCS Ninja test process, its syllabus and how register to appear that test. After discussion, above points are decided unanimously.

Proposer: Board Members

Secunder: Prof. Patange S.P

**3. Review of last 5-year CO-PO mapping and attainment achieved.**

Prof. Patange S.P have presents compile report of course outcome, CO PO mapping and CO PO attainments which was achieved in Last 5 years. Board members analyzed all this data also they verify all E Dairy and course files.

Prof. Bhosale B.Y give suggestion about how to map CO-PO more efficiently and increase the attainment by implementing some action plan. Discussion was held on action plan to achieve that target level in current academic year. After discussion, above points are decided unanimously.

Proposer: Prof. Bhosale B.Y

Secunder: Prof. Patange S.P

**SHREE SANTKRUPA SHIKSHAN SANSTHA'S**

**HON. DR. USHA A. JOHARI**

**SECRETARY**  
**HON. MR. PRASUN A. JOHARI**

**PRINCIPAL**  
**DR. SWANAND B. KULKARNI**

**4. Departmental Goals and Objectives for A.Y. 2023-24.**

The Department Head presented the department's goals and objectives for the academic year 2023-24. He presented an admission status, activities executed and curriculum of the CSE Department. The all Board members was engaged in a comprehensive discussion about areas where improvement is needed. They suggested to Enhancing the quality of the curriculum to align with emerging trends and advancements. Strengthening industry partnerships and providing students with valuable experiential learning opportunities. Promoting student engagement in various activities, increase problem solving attitude through PBL etc

**5. To discuss about the preparation with respect to NAAC Accreditation.**

Prof. Bhosale B.Y informed status of work with respect to NAAC Accreditation also present last 5-year data which is collected for NAAC. He informed about Institute will submit IQA report for NAAC very soon and explained how NAAC will complete accreditation process. Board members verified collected all last 5 years departmental data for NAAC. Prof. Bhosale B.Y has given some suggestion on how to prepare and present data with respect to NAAC.

After discussion, above points are decided unanimously.

Proposer: Board Members

Secunder: Prof. Patange S.P

**6. To discuss on IQAC review mechanism for academic activities.**

HOD Prof. Patange S.P informed about IQAC has implemented a online review mechanism to monitor syllabus coverage, students attendance, students feedback, internal exams result analysis etc. By the month end every faculty has to submit above data on IQAC drive. IQAC committee will conduct students feedback every month and verified all filled data. After evaluation IQAC team will perform remedial action if required. Board members appreciated that initiative.

**7. To discuss about purchase new computer having advance specification.**

Prof. Patange S.P informed that as CSE students admission was increased and according to advanced syllabus old version computers available in labs are incapable to perform practicals. As last year we have purchased 56 computers we need to purchase more new computers having advance specification. Board members comprehensively engaged in discussion on which specification required to perform practical's. After discussion and review of old remaining computers, board members suggested to submit purchase requirement of new computer with specification to principal office. After discussion, above points are decided unanimously.

Proposer: Board Members

**Minutes of Meeting – DAB Meeting on 14/02/2024**

**Date: - 14/02/2024**

**Venue: - CSE HOD Cabin**

**Time: - 02:30 pm to 04:00 pm**

Departmental Advisory Board of Computer Science & Engineering department meeting was conducted on 14/02/2024 at 02:30pm in CSE HOD Cabin for Academic Year 2023-24 Even sem. The agenda of the meeting was conveyed along with meeting notice. Meeting started with the permission of board members.

**Following points were discussed in the meeting as per the agenda ---**

**1. Confirmation of minutes of meeting of previous Meeting and Action Taken Report**

HOD Prof. Patange S.P read minutes of previous meeting held on 12/08/2023 and the minutes were confirmed with the permission of board members.

HOD Prof. Patange S.P present the action taken report dated 14/08/2023. DAB review that action taken report and approved.

**2. Review of student's feedback, placement and introduce revised Alumni feedback.**

Respected HOD Prof. Patange S.P welcome all members present in second DAB meeting of A.Y. 2023-24, Board members engaged in review of students feedback of previous semester and detail discussion is held on points raised in students feedback. Prof. Patange S.P has introduced Alumni feedback form which is revised in IQAC meeting dated 09/02/2024. He said IQAC has changed questionnaires in first section of alumni feedback form, these questions will be descriptive and specific also added institute infrastructure and facilities related question into the form. Board members has reviewed these questions and give their approval.

Prof. Deshmukh S.U inform about recruitment head Mr. Hrishikesh Dande sir from TCS, Pune has conducted online session about recruitment process of TCS. He introduces TCS Ninja test process, its syllabus and how to register and appear the test. He informs we will try to enroll maximum final year students into this exam.

Prof. Deshmukh S.U inform about other recruitment drives are in pipeline. He said we have approach Indicus Software and iwork technologies. Iwork technologies pune offer 6-month internship to selected candidates and after his/her performance company will decide whether they should continue few candidates or not. Mr. Joshi A.A suggested to select best eligible students and motivate them to appear for TCS, Indicus Software and iwork technologies. He said 6 month internship offered by Iwork technologies pune will be beneficial for our students in their future whether they will be continue or not.

**PRESIDENT**  
HON. DR. USHA A. JOHARI**SECRETARY**  
HON. MR. PRASUN A. JOHARI**PRINCIPAL**  
DR. SWANAND B. KULKARNI**3. To discuss on Students participation in various competition.**

Prof. Haval A.M informed that we need to increase our CSE students participation in various state level and national Level competitions like paper presentation, project competition, conferences etc. He said now days so many institution Organize various competitions so our students should grab these opportunities. These are the good platforms where students can show their talents also they can learn through this journey. Also he said our final year students should publish their paper based on projects into the national or international journals. This also become good practice. After discussions board members suggested to motivate students for participate in various state level and national Level competitions like paper presentation, project competition, conferences etc and guide final year students to publish their paper based on projects into the national or international journals.

**4. To discuss about the preparation with respect to SSR submission for NAAC Accreditation.**

Prof. Bhosale B.Y informed the status of work with respect to NAAC Accreditation. As per the discussion held at IQAC meeting and as per the last date of SSR Submission in the month of Feb 2024. Principal Dr. Kulkarni S.B informed that our institute will submit SSR in third week of February. Before that Institute will conduct detail mock test of all 7 criteria's and after review and mock test we can submit SSR. Prof. Bhosale B.Y suggested to take detail review on departmental data, make some necessary changes and compile data accordingly.

He also suggested to take responsibilities and participate in academic as well as infrastructural related work on which we need to start working after submission of SSR. After discussion, above points are decided unanimously.

Proposer: Prof. Bhosale B.Y

Seconder: Prof. Patange S.P

**5. To discuss on conduction of Add on course.**

HOD Prof. Patange S.P informed that as per our practice we need to conduct Add on course to our CSE students. It plays very important roll in overall growth of students. All board members also agree about conduction of add on course. Mr. Joshi A.A suggested to conduct add on course on emerging trends in computer science like machine learning, AWS cloud, Artificial Intelligence Advance Java etc.

Prof. Haval A.M suggested that add on course topic should be bridge the gap between academia and industry. Also, topic should relevant to improve students behavior and increase students core knowledge about computer and programming related subjects. So it will be beneficial for them as per their placements. As per discussion it is unanimously decided to find good resource persons or agencies and conduct add on course.

**6. To discuss about schedule for review of final year projects.**

Prof. Patange S.P informed that as per the revised syllabus structure of CSE course published by DBATU, only project phase II is mentioned in the 8<sup>th</sup> semester syllabus. So final year students has to complete their projects either at institute or any industry as project internship. We need to identify how many students are done their project at institute or any industry. He suggested to motivate students to publish at least one paper at reputed journal on their project topic and find industry sponsorship for projects. All members are agreed to execute this process.

## Minutes of Meeting – DAB Meeting on 27/08/2022

**Date: - 27/08/2022**

**Venue: - CSE HOD Cabin**

**Time: - 12:30 pm to 02:00 pm**

Departmental Advisory Board of Computer Science & Engineering department meeting was conducted on 27/08/2022 at 12:30pm in CSE HOD Cabin for Academic Year 2022-23 odd sem. The agenda of the meeting was conveyed along with meeting notice. Meeting started with the permission of board members.

### Following points were discussed in the meeting as per the agenda ---

**1. Confirmation of minutes of meeting of previous Meeting and Action Taken Report.**

HOD Prof. Patange S.P read minutes of previous meeting held on 29/01/2022 and the minutes were confirmed with the permission of board members.

HOD Prof. Patange S.P present the action taken report dated 02/02/2022. DAB review that action taken report and approved.

**2. Review of previous semester overall result analysis, students feedback and placement.**

Respected HOD Prof. Patange S.P welcome all members present in first DAB meeting of A.Y. 2022-23, He presented overall subject wise result analysis of last year exams. Board members were appreciated that result and suggested to maintained that result in future and continue to implement all activities which was decided for getting good result. Board members engaged in review students feedback of last year and detail discussion is held on points raised in students feedback.

Prof. Deshmukh S.U inform about overall placement of students. He said recruitment head Mr. Hrishikesh Dande sir from TCS, Pune has conducted online session about recruitment process of TCS. He introduces TCS Ninja test process, its syllabus and how register to appear that test.

**3. Review of previous year subject's CO-PO mapping and attainment achieved.**

Prof. Haval A.M have presents course outcome, CO PO mapping and CO PO attainments which was achieved in previous academic year. Board members has checked and analyzed all E Dairy and course file.

Prof. Bhosale B.Y suggests to set new target level for each course and motivate staff to achieve that new target level. Discussion was held on action plan to achieve that target level in current academic year. After discussion, above points are decided unanimously.

Proposer: Prof. Bhosale B.Y

Secunder: Prof. Patange S.P

**HON. MR. PRASUN A. JOHARI****PRINCIPAL**  
**DR. SWANAND B. KULKARNI****4. Departmental Goals and Objectives for A.Y. 2022-23.**

The Department Head presented the department's goals and objectives for the academic year 2022-23. He presented an overview of the current second, third and final year curriculum of the CSE Department. The Board members engaged in a comprehensive discussion about areas where improvement is needed. They suggested to Enhancing the quality and relevance of the curriculum to align with emerging trends and advancements. Strengthening industry partnerships and providing students with valuable experiential learning opportunities. Promoting student engagement, well-being, and academic success.

**5. To discuss about the preparation with respect to NAAC Accreditation.**

Prof. Bhosale B.Y informed status of work with respect to NAAC Accreditation also start collecting last 5-year data related to NAAC. As per the plan declared in last year, Institute is going to submit SSR in the end of this academic year 2022-23. Principal sir has decided to conduct review meeting of all NAAC coordinator in every week. Writing Qlm of each sub criteria is started and collecting data required for Qnm. He advised to start collecting all supporting data required for every sub criteria and upload it on Institute website. After discussion, above points are decided unanimously.

Proposer: Prof. Bhosale B.Y

Secunder: Prof. Patange S.P

**6. To discuss on revised syllabus, Academic calendar, load distribution and time table etc.**

HOD Prof. Patange S.P informed revised syllabus of third year class. Formal discussion is held on that syllabus. Formal discussion is held on fixed load distribution, departmental academic calendar prepared by department as per Academic Calendar published by DBATU. Board members have suggested to implement all necessary activities as per our practice such as students' attendance and assessments, mentor meet, remedial lectures and conduction of lectures and practicals as per time table.

**7. To discuss about purchase new computer having advance specification.**

Prof. Patange S.P informed that as CSE students admission was increased and according to advanced syllabus old version computers available in labs are incapable to perform practicals. We need to purchase new computers having advance specification. Board members comprehensively engaged in discussion on which specification required to perform practical's. After discussion and review of old computers board members suggested to submit purchase requirement of new computer with specification to principal office. After discussion, above points are decided unanimously.

**Minutes of Meeting – DAB Meeting on 25/02/2023**

**Date: - 25/02/2023**

**Venue: - CSE HOD Cabin**

**Time: - 02:00 pm to 03:30 pm**

Departmental Advisory Board of Computer Science & Engineering department meeting was conducted on 25/02/2023 at 2pm in CSE HOD Cabin for Academic Year 2022-23 even sem. The agenda of the meeting was conveyed along with meeting notice. Meeting started with the permission of board members.

**Following points were discussed in the meeting as per the agenda ---**

**1. Confirmation of minutes of meeting of previous Meeting and Action Taken Report.**

HOD Prof. Patange S.P read minutes of previous meeting held on 27/08/2022 and the minutes were confirmed with the permission of board members.

HOD Prof. Patange S.P present the action taken report dated 30/08/2022. DAB review that action taken report and approved.

**2. To discuss and approval course outcome of second, third & final year subjects.**

HOD Prof. Patange S.P presented course outcome of second, third and final year subjects prepared by subject teachers. Board members have suggested some corrections and improvements in CO statements. After deep discussions with board members all CO's were finalized and approved by DAB. Discussion was held on final year academic and projects. It is suggested to motivate students to enroll NPTL courses for 8<sup>th</sup> sem elective subjects. After discussion, above points are decided unanimously.

Proposer: Board Members

Secondar: Prof. Patange S.P

**3. To discuss on revised syllabus, Academic calendar, teaching learning process for DSY students etc.**

Formal discussion is held on revised syllabus copy for even semester and preparation of department wise academic calendar as per Academic Calendar published by DBATU. Board members advised to prepare fixed load distribution and class time table as per the guidelines given by IQAC. Miss. Patil Y.J informed about revised 3<sup>rd</sup> sem syllabus of newly admitted DSY students. Due to late DSY admission DBATU has given guideline about completion of 3<sup>rd</sup> sem curriculum, we need to complete syllabus during period given by university. It is decided to conduct separate schedule as per last two-year practice. After discussion, above points are decided unanimously.

Proposer: Board Members

**4. To discussion about department vision, mission, PEO and PSO statement**

HOD Prof. Patange S.P made aware all members about revised Institute vision, mission and quality policy statements then present draft copy of departmental vision, mission, PSO and PEO statement. Board members engaged in a comprehensive discussion about all these statements. After discussion all board members have given their approval for departmental vision, mission, PSO and PEO statement.

**5. To discussion about Student Engagement and Experiential Learning.**

HOD Prof. Patange S.P informed about admission strength in CSE department. He has given more emphasis on Student Engagement and Experiential Learning. The Faculty Representative provided an update on student engagement initiatives within the CSE Department. The Board members discussed the importance of providing students with opportunities for hands-on experience, internships, and research projects. They also emphasized the significance of fostering a supportive and inclusive learning environment. The Board members suggested organizing student-led events, mentorship programs, and industry visits to enhance student engagement and promote holistic development. As per syllabus Mr. Joshi A.A advised to select good quality final year projects and mini projects. Also given seminar topic on emerging trends and advanced technologies. After discussion, above points are decided unanimously.

Proposer: Board Members

Secunder: Prof. Patange S.P

**6. Any other points with permission from chair.**

Prof. Bhosale B.Y informed about Institute has appointed Mr. Hargude Sir as a NAAC consultant. He will help us for the preparation of NAAC.

Prof. Deshmukh S.U request all members about how to upgrade our Institute website. Board members was engaged in discussion on this. They suggested to find external vendors to prepare and handle our college website as per the expectation of NAAC. Prof. Deshmukh S.U informed about the conduction of Add on course on full stack development using Java. After discussion, above points are decided unanimously.

**Minutes of Meeting – DAB Meeting on 03/09/2021**

**Date: - 03/09/2021**

**Venue: - CSE HOD Cabin**

**Time: - 12:30 pm to 02:00 pm**

Departmental Advisory Board of Computer Science & Engineering department meeting was conducted on 03/09/2021 at 12:30pm in CSE HOD Cabin for Academic Year 2021-22 odd sem. The agenda of the meeting was conveyed along with meeting notice. Meeting started with the permission of board members.

**Following points were discussed in the meeting as per the agenda ---**

**1. Confirmation of minutes of meeting of previous Meeting and Action Taken Report**

HOD Prof. Patange S.P read minutes of previous meeting held on 13/02/2021 and the minutes were confirmed with the permission of board members.

HOD Prof. Patange S.P present the action taken report dated 15/02/2021. DAB review that action taken report and approved.

**2. Review of previous semester overall result analysis and student feedback.**

Respected HOD Prof. Patange S.P welcome all members present in first DAB meeting of A.Y. 2021-22, He presented overall subject wise result analysis of last year exams. Board members were appreciated that result and suggested to maintained that result in future and continue to implement all activities which was decided for getting good result. Board members engaged in review students feedback of last year and detail discussion is held on points raised in students feedback.

**3. Review of previous year subject's CO-PO mapping and attainment achieved.**

Prof. Deshmukh S.U have presents course outcome, CO PO mapping and CO PO attainments which was achieved in previous academic year. Board members has checked and analyzed all E Dairy and course file.

Prof. Bhosale B.Y suggests to set new target level for each course and motivate staff to achieve that new target level.

Discussion was held on action plan to achieve that target level in current academic year. After discussion, above points are decided unanimously.

Proposer: Prof. Bhosale B.Y

Secunder: Prof. Patange S.P

**4. Departmental Goals and Objectives for A.Y. 2021-22.**

The Department Head presented the department's goals and objectives for the academic year 2021-22. He presented an overview of the current second, third and final year curriculum of the CSE Department. The Board members engaged in a comprehensive discussion about areas where improvement is needed. They suggested to Enhancing the quality and relevance of the curriculum to align with emerging trends and advancements. Strengthening industry partnerships and providing students with valuable experiential learning opportunities. Promoting student engagement, well-being, and academic success.

**5. To discuss about the preparation with respect to NAAC Accreditation.**

Prof. Bhosale B.Y informed all about Institute has plan to get NAAC accreditation. Institute has appointed NAAC coordinator also appointed criteria wise coordinator and team for the preparation of NAAC accreditation. Central NAAC coordinator will monitor and track all progress of work towards NAAC preparation. Prof. Patange S.P. requested to maintain all necessary documents related to NAAC preparation. It is decided in IQAC meeting to conduct separate review meeting with NAAC committee once in a month. Board members has appreciated this initiative taken by Institute. All members comprehensively engaged in discussion on how to start preparation with respect to NAAC Accreditation. Board members suggested to compile all necessary documents related to NAAC accreditation. After discussion, above points are decided unanimously.

Proposer: Board Members

Secunder: Prof. Patange S.P

**6. To discuss on revised syllabus, Academic calendar, load distribution and time table etc.**

HOD Prof. Patange S.P informed that DBATU has revised their syllabus and it will be changed progressively in every year. In current academic year only second year syllabus is changed and third and final year syllabus remain same as per previous year. Formal discussion made on this revised syllabus.

Prof. Patange S.P requested to do fixed load distribution. He said allow teachers to teach same subject every year so gradually teachers obtain proficiency in many courses over a period of time, it will improve subject result. Formal discussion is held on Academic Calendar published by DBATU. Board members have suggested to implement all necessary activities as per our practice such as students' attendance and assessments, mentor meet, remedial lectures and conduction of lectures and practicals as per time table.

**7. To discuss about how to improve quality of technical education.**

Prof. Patange S.P informed as per point discussed in IQAC meeting about how to improve quality of technical education. He addressed various areas where we need to give more focus such as Fixed Load Distribution and time table, collaborative learning method, more emphasize on students mentoring, establish Research lab/Virtual Lab/ Project Lab, faculty Video lectures made available online in their YouTube channel, Add on Courses, Consultancy services, department wise Industry Advisory Board, strengthen the industry Institute interaction, increase more number of staff and students trainings, Students Online Courses (Swayam/ NPTEL), Institute active contribution in rural development, initiate social activities which is beneficial for rural areas, students should meet real life entrepreneurs, establish Incubation Center to promote startup projects and Strategies to implement Project Based Learning.

After discussion with members, decided to start implementing these academic activities from current academic year 2021-22 and progressively we will implement such activities from next academic year.

**8. Any other points with permission from chair .**

Formal discussion is held on revised IQAC formats which is used in academic process. Mr. Joshi A.A suggested to select and complete good quality projects from students. Allocate project guide for each project and enhance the

**Minutes of Meeting – DAB Meeting on 14/08/2019**

**Date: - 14/08/2019**

**Venue: - CSE HOD Cabin**

**Time: - 02:00 pm to 03:30 pm**

Departmental Advisory Board of Computer Science & Engineering department meeting was conducted on 14/08/2019 at 2 pm in CSE HOD Cabin for Academic Year 2019-20 odd sem. The agenda of the meeting was conveyed along with meeting notice. Meeting started with the permission of board members.

**Following points were discussed in the meeting as per the agenda —**

**1. Confirmation of minutes of meeting of previous Meeting and Action Taken Report**

HOD Prof. Patange S.P read minutes of previous meeting held on 15/01/2019 and the minutes were confirmed with the permission of board members.

HOD Prof. Patange S.P present the action taken report dated 17/01/2019. DAB review that action taken report and approved.

**2. Review of previous semester overall result analysis and student feedback.**

Respected HOD Prof. Patange S.P welcome all members present in first DAB meeting of A.Y. 2019-20, He presented overall subject wise result analysis of last year exams. Board members were appreciated that result and suggested to maintained that result in future and continue to implement all activities which was decided for getting good result. Board members engaged in review students feedback of last year and detail discussion is held on points raised in students feedback.

**3. Review of previous year subject's CO-PO mapping and attainment achieved.**

HOD Prof. Patange S.P have presents course outcome, CO PO mapping and CO PO attainments which was achieved in previous academic year. Board members has checked and analyzed all subjects CO-PO mapping and achieved attainments. Prof. Bhosale B.Y suggests to set target level for each course and motivate staff to achieve that target level. Discussion was held on action plan to achieve that target level in current academic year. After discussion, above points are decided unanimously.

Proposer: Prof. Bhosale B.Y

Secunder: Prof. Patange S.P

**4. Departmental Goals and Objectives for A.Y. 2019-20.**

The Department Head presented the department's goals and objectives for the academic year 2020-21. He presented an overview of the current second year and third year curriculum of the CSE Department. The Board members engaged in a comprehensive discussion about areas where improvement is needed.
