

About Shree Santkrupa Shikshan Sanstha (SSSS):

Shree Santkrupa Shikshan Sanstha (SSSS) is a Public Charitable Trust operating in Karad, district Satara of Maharashtra, India. Established in 1996, the organization today is one of the leading & most respected centers of learning in the district. We are located in a rural setting and our campus of more than 30 acres is located 25 km from the city of Karad amidst a serene environment surrounded by mountains and adjoining a lake. We are dedicated to the cause of education & committed to the upliftment of the members of our community and to that end we operate many technical and non-technical institutes and a school. All the institutes are recognized and affiliated to concerned statutory authorities and meticulously fulfill the norms and standards laid down by the system.

About Shree Santkrupa Institute of Engineering & Technology (SSIET)

Shree Santkrupa Institute of Engineering and Technology (SSIET) in Ghogaon, Karad, Maharashtra, is an educational institute established under the Shree Santkrupa Shikshan Sanstha. It offers both degree (B.Tech) and diploma programs in various engineering disciplines, having upgraded its focus to degree engineering in 2017 to provide higher technical education in a rural setting. The institute is affiliated with Dr. Babasaheb Ambedkar Technological University (DBATU), Lonere, and approved by AICTE. The major engineering departments offering B.Tech courses include Civil Engineering, Computer Science and Engineering, Electrical Engineering, and Mechanical Engineering. We offer MSBTE affiliated diploma courses in Mechatronics, Civil & Environmental Engineering and Artificial Intelligence & Machine Learning.

Vision

To become a center of excellence in technical education, research and innovation for overall upliftment of society/stakeholders of Western Maharashtra.

Mission

- Adopt continually improving standards for the teaching-learning process.
- Encourage students for innovative ideas & research activities.
- Develop professional ethics, values & skills to enable them to strive for excellence.

Programme Committee

CHIEF PATRONS

Dr. Usha A. Johari
President,
Shree Santkrupa Shikshan Sanstha, Ghogaon

Mrs. Anuradha S. Gandhi
Vice – President,
Shree Santkrupa Shikshan Sanstha, Ghogaon

Mr. Prasun A. Johari
Secretary,
Shree Santkrupa Shikshan Sanstha, Ghogaon

Mrs. Prajakta P. Johari
Treasurer,
Shree Santkrupa Shikshan Sanstha, Ghogaon

CHIEF CONVENER

Prof. Dr. Swanand B. Kulkarni
Principal,
Shree Santkrupa Institute of Engineering & Technology, Ghogaon.

CONVENERS

Prof. Prasad R. Bhagwat
Director,
Shree Santkrupa Institute of Professional Studies and Skill Development, Ghogaon

Prof. Santosh P. Patange
IQAC Coordinator and
HOD, CSE & AIML Department,
Shree Santkrupa Institute of Engineering and Technology, Ghogaon.

CO-ORDINATORS

Prof. Sagar H. Mali
HOD, Electrical Engineering Department,
SSIET, Ghogaon.

Prof. Sheetal S. Aute
HOD, Basic Science & Humanities department,
SSIET, Ghogaon.

Prof. Sujit D. Patil
Training & Placement Officer,
SSIET, Ghogaon.

Prof. Mahesh S. Renke
HOD, Civil & Environmental Engineering Department,
SSIET, Ghogaon.

Prof. Bharatraj Y. Bhosale
HOD, Mechanical & Mechatronics Engineering Department,
SSIET, Ghogaon.

SHREE SANTKRUPA SHIKSHAN
SANSTHA'S

Shree Santkrupa Institute of Engineering & Technology

Ghogaon (Shivajinagar), Tal. Karad,
Dist. Satara 415 111 (MS)

Five-Days

Online Faculty Development Programme
(e-FDP) On

“Technology & Innovation Management”

23rd February to 27th February 2026

About the Programme:

Modern era is marked by rapid digitalization and advanced technologies to maintain competitiveness and resilience at global landscape.

Faculty member is the driving force behind the institution and plays a crucial role in building the career of the students.

This five days online program is a strategic initiative comprises sessions from senior industry experts to give its attendees a competitive edge in expanding the frontiers of technology-enhanced learning.

Innovation Management is gradually becoming very significant in various areas of business.

Teaching faculties with adequate skills, technical knowledge and information in the areas of innovation management can ignite young minds , act as a resource person in guiding and motivating the students for innovation management.

Technology management in engineering integrates engineering principles, business strategy, and management techniques to foster innovation and implementing new technologies like AI and automation

Objectives:

- It provides an opportunity to acquire knowledge regarding current technological developments in relevant fields, skills thereby improving the overall educational experience.
- Continuous learning is a vital component of the programme. It aims to understand the current research challenges and opportunities in the engineering sector.
- Our industry institute cell's mission is to foster collaboration between engineering institute and industry world. The cell's goal is to identify the gap between current industry needs, understand the cutting edge technologies, gain valuable insights from industry experts , nurture a culture of innovation and accordingly develop the technical skills of the students and prepare them for successful careers.

e-FDP Schedule

DAY 1 - INAUGURATION		23/02/2026 11:00 AM TO 11:10 AM
Welcome Address		Mr. Prasun Johari Secretary SSSS, Ghogaon
		Dr. Swanand Kulkarni Principal SSIET, Ghogaon
		Prof. Prasad Bhagwat Director, SSIPSSD, Ghogaon
		23/02/2026 11.10 AM - 11.35 AM
Inaugural Keynote Address		Dr. Anand Deshpande Founder, Chairman & MD, Persistent Systems Ltd., Pune
		23/02/2026 11.35 AM - 12 Noon
Chief Guest Address		Prof. Dr. Sudhirkumar Barai Director, BITS Pilani (Pilani Campus), Rajasthan
DAY 1 - SESSION 1		23/02/2026 3 PM to 4 PM
