Inspiring personality :

Mother Teresa (26th August 1910 – 5th September 1997), Fundamental to the prosperity of all, Teresa chose a voluntary life of poverty in order to help others. In 1950 she founded the Missionaries of Charity, a Roman Catholic congregation which to this day dedicates itself to helping those suffering from HIV/AIDS, leprosy and tuberculosis as well as running soup kitchen, orphanages, schools and mobile clinics.

Through this work she instigated entire generations to selflessly aid others and fearlessly taking on world leaders to tackle inequality. She was awarded the Nobel Peace Prize in 1979 and was canonized in 2016 by Pope Francis, becoming the Patron Saint of Kolkata.

HAPPY THOUGHTS

Sirshree:

Sirshree’s spiritual quest which began during his childhood, led him on a journey through various schools of thought and meditation practices. His overpowering desire to attain the Truth led him to relinquish his teaching job. After a long period of contemplation, his quest culminated in the attainment of the ultimate truth.

Thereafter, being permanently established in the experience of self-realization, Sirshree began speaking only on the eternal truth. Sirshree espouses, “All paths that lead to the truth begin differently, but end in the same way—with understanding. Understanding is the whole thing. Listening to this understanding is enough to attain the truth.”

He is the founder of Tej Gyan Foundation, a non-profitable organization committed to raising mass consciousness with branches in the United States, India, Europe and Asia-Pacific. Sirshree’s retreats have transformed the lives of thousands and his teachings have inspired various social initiatives for raising global consciousness. Sirshree has authored several spiritual books. His books have been translated in more than 10 languages and published by leading publishers such as Penguin and Hay House.

His works include more than 100 books and 3000 discourses. Various luminaries such as His Holiness the Dalai Lama, publishers Reid Tracy and Tami Simon, yoga master Dr. B. K. S Iyengar have released Sirshree’s books and lauded his work.

His book The Warrior’s Mirror, published by Penguin, was featured in the Limca Book of Records for being released on the same day in 11 languages

Sirshree

“Whatever you believe, you get the proof of. With proof, your belief becomes stronger.”

“THE PATH OF KARMA

Just perform your karma. If you want to desire its fruit, then desire the Supreme Fruit from the Source (God), not from the channels (individuals).”

“FACT OF LIFE

People grieve for those who have passed away. The same people fight with those who are alive.”

“SUCCESS

If one person in this world can achieve something, you too can. Have faith in your strength and recognise the opportunity. You will surely succeed.”

“HAPPINESS

The more you remain happy, the more closer you remain to the Self-the source of happiness.”

“NATURE'S LAWS

you need to give first and then you shall receive. To attain what you desire, help others in attaining it.”

“THOUGHTS

Every thought is a prayer; it always manifests into reality. Every prayer is answered. Hence, always cultivate positive thoughts.”

“CHANGE

Change and transformation is the rule of nature.”

Fresher's Party - B.Tech

On 24th December 2026, a Fresher’s Party (Welcome Ceremony) was organized at SSIET for the newly admitted First Year and Direct Second Year (DSY) Engineering students. The programme was inaugurated by the Principal, Dr. Swanand Kulkarni, who warmly welcomed the newly admitted students to SSIET.

The Principal, Registrar, Heads of Departments, and faculty members welcomed the new students and congratulated the winners of the various games and activities.

The event had created a joyful and friendly atmosphere, allowing the new students to interact with their peers and faculty members. All the students actively participated in and thoroughly enjoyed the Fresher’s Party.

Birth Anniversary Celebration

The birth anniversaries of Dr. Babasaheb Ambedkar and Mahatma Jyotiba Phule were commemorated at the College on 13th April 2026 with due respect and reverence.

Principal Dr. Swanand Kulkarni garlanded the portraits of Dr. Babasaheb Ambedkar and Mahatma Jyotiba Phule and offered floral tributes. The teaching and non-teaching staff members, along with the students, attended the Programme and paid homage to the great social reformers by offering flowers.

Dr. Bhimrao Ramji Ambedkar, popularly known as Babasaheb Ambedkar, was a distinguished Indian jurist, economist, politician, and social reformer. He played a pivotal role in the drafting of the Constitution of India and is widely regarded as its chief architect. He dedicated his life to promoting social justice, equality, education, and the upliftment of marginalized communities.

Mahatma Jyotiba Phule was a prominent social reformer, thinker, and writer who worked tirelessly for social equality and the eradication of caste-based discrimination and untouchability. He strongly advocated for women's education and social empowerment. Along with his wife, Savitribai Phule, he established one of the first schools for girls in Pune in 1848, making a significant contribution to the advancement of women's education in India.

The Programme served as an opportunity for students and staff to remember and honor the invaluable contributions of these great social reformers and to reaffirm their commitment to the principles of equality, education, and social justice..

Alumni Meet - 2026

The Institute organized a grand Alumni Meet on 3rd March 2026 and invited alumni from various batches, particularly those from the initial years of the Institute. The primary objective of the event was to reconnect with former students, welcome them back to the Institute, and provide them with an opportunity to witness and appreciate the progress, development, and overall growth of the Institute over the years.

More than 80+ alumni attended the event, making it a heartwarming and emotional occasion for everyone. Many alumni met their former classmates and friends after several years and fondly shared their memories and experiences of their student life at the Institute.

A special programme was organized in the auditorium in the presence of the Principal, Dr. Swanand Kulkarni, Registrar, Heads of Departments, Alumni Cell In-charge Mrs. S. M. Shinde, coordinators, faculty members, students, and the alumni. The programme commenced with the ceremonial lighting of the lamp and Eesh-Stavan, followed by a formal welcome of all the alumni. The alumni were felicitated with a token of love and appreciation.

Principal Dr. Swanand Kulkarni addressed the gathering and presented an overview of the progress and development of the Institute. He highlighted the Institute’s growth in various technological and diversified fields and its continuous efforts towards achieving excellence. He also emphasized the important role and responsibilities of the alumni as key stakeholders and as a bridge between the Institute and the industry. The alumni responded positively to this initiative and expressed their willingness to contribute to the continued growth and development of the Institute. Also they motivated our student through their speeches.

The Alumni Meet concluded successfully on a pleasant, memorable, and emotional note, leaving everyone with a renewed sense of connection and belonging to their alma mater.
